Let's Hear from Volunteers!

Each year there are openings on the Township's boards, commissions and special task forces that need to be filled by citizen volunteers. At the Board of Supervisors annual reorganization meeting in January and at various times during the year, the need arises to fill open posts and positions, or just find interested citizens who are available to help on a one-time park program, special community event, or special task force. Some of the Boards in place assist the Board of Supervisors in an official capacity. Other

committees assist the community in a less formal manner and provide valuable input, and just good old physical labor needed to make Township events successful.

In order to find volunteer minded citizens who may serve as new board members or volunteers ready to help out on anything, West Hanover Township maintains a "Volunteer Resources" file of interested citizens willing to serve the Township. If

Vandalism in the Parks “Who is Responsible?”

Vandalism seems to be an on-going problem in West Hanover Township. In 2005 alone, we had graffiti on picnic tables, playground equipment, park signs, and on pavilion walls. Trashcans have been smashed, and a hole was burned in the climbing rock at Lenker Park. Skyline Park trashcans, picnic tables, playground equipment and pavilion were victims of a paint-ball gun. An eagle scout project that was constructed at Lenker Park was destroyed, all the window screens in the log cabin at Fairville Park were cut out and beer cans keep filling up

the trashcans in all the parks.

The Park and Recreation Board asks residents to help keep a lookout for any suspicious actions in your neighborhood park. The Township needs your help to catch the individuals responsible for the vandalism. Please contact the State Police at 671-7500 (911 for emergency) or the Township Office 652-4841 if you see someone vandalizing park facilities.

Anyone involved in these criminal acts will prosecuted to the full extent of the law.

WHT Historical Society

By Harold Smedley, Vice President

The October 20th meeting of the Historical Society honored the Fahnestock family. Many members of the family were longtime residents of West Hanover Township. The Harold and Vernice Fahnestock farm was at the current location of Clover Lee, a development of new homes.

Linda Fahnestock Hubbard gave an excellent presentation, and had a fine display of family heirlooms. She documented the history of the family, where they came from, and the various businesses that members of the family engaged in over the years.

A field trip was led by Tom Felsburg and Ed Wischaupt on October 29th to the slave graves in West Hanover Township. They are located on the mountain off an old section of the Appalachian Trail. About 15 members and guests made their way to the location. Repairs to the two headstones marking the location had been recently made by Tom, Ed and Carol Buskirk. Harry Senft also assisted in clearing the way to the location.

The historical society invites young and old to the 19th annual Carol Sing and burning of the Yule Log. This will be held on Sunday, December 4, 2005 at 6:00 p.m. at the Log Cabin in Fairville Park. Shirley McCahan will lead the burning of the Yule log and Cindy

Wertz, choral director at West Hanover Elementary School will lead the singing. St. Nick is expected to pay a visit. Cookies and beverages will be served in the Log Cabin at the conclusion to warm everyone up.

The Township has received ongoing complaints about individuals not cleaning up after their dogs. Chapter 67, Article II, Section 67-5.F of the Code of the Township of West Hanover requires animal excrement to be immediately removed and properly disposed of.

Please be a good neighbor and clean up after your pet.

For more information regarding domestic pet laws, contact Harold Arndt, Codes Administrator, at 540-6080.

SNOW REMOVAL

The West Hanover Township Public Works Department thanks all residents for their patience during inclement weather.

Township residents are asked to aid the Public Works Crew in their ice and snow removal efforts by refraining from parking on Township streets during inclement weather and by not throwing/pushing snow from driveways or sidewalks onto Township streets.

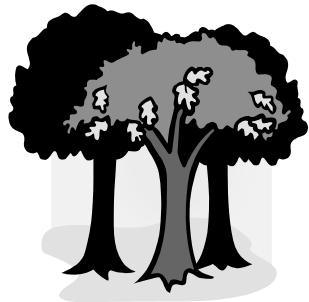

Please remember that the Township’s main arteries receive first priority for salting and plowing. The main arteries plowed by the Township are: **Piketown Road, Fairville Avenue, Jonestown Road, Manor Drive and Devonshire Heights Road.** If there is a problem with a Township maintained road please call 652-1054.

Maintenance and plowing of all private roads are the responsibility of the owner.

The following roads are plowed by PENNDOT: **Allentown Boulevard (Rt. 22), Fishing Creek Valley Road (Rt. 443), Green Hill Road (from Oak Grove Road to Hershey Road), Hershey Road (Rt. 39), Linglestown Road (Rt. 39), Oak Grove Road, Red Top Road and Route 81.** If there is a problem with a State maintained road, call PENNDOT at 787-5284.

EAC NEWS

Holiday Giving

As the holidays approach, keep the attractive Scenic West Hanover note cards in mind. Three different award-winning color photos from the contest have been reproduced on blank note cards. They are: *Rising Sun* by Bill Anderson; *Fall in the Farm Fields of West Hanover* by Donna Fries, and *Sleeping Fawn* by William Ostermayer. At only \$3 per set of three cards with envelopes, they make a great gift, and show our pride in the beauty of West Hanover Township. Pick them up at the Township Municipal Building during regular business hours.

Also, consider creative, earth friendly gift giving this year. Avoid traffic and crowds at the malls! Photos, plants, home baked goods, and hand made items are welcome presents. Memberships and donations to conservation groups are another possibility. Check with your favorite charity for suggestions. Most have their own "wish lists."

Many ideas for non-profit and eco-friendly gift giving may be found on the internet:

Household Hazardous Waste Program

Record numbers of township residents took advantage of the community hazardous waste collection this fall. When the scheduled pick up dates were filled, more dates were set, and everyone was accommodated. The program for free disposal of household chemicals (up to 75 lbs) continues to be available to every household on

an annual basis through Dauphin County's contract with Curbside, Inc. (1-800-449-7587). Commercial generators, including businesses, churches and schools, may arrange for proper disposal for a fee. Farmers should contact the Pennsylvania Department of Agriculture's ChemSweep at 717-728-2570.

NEWS FROM THE GOPHER HOLE

The Senior Citizen transportation program has a new van. We have purchased a 2006 Dodge Grand Caravan and so far everyone likes it.

If you are 60 years of age and older and a resident of West Hanover Township you may call 652-1702 Monday through Friday between the hours of 10 a.m. and 2 p.m., for more information or to schedule a trip.

We can always use more volunteers to drive or to help with dispatch. Just call 652-1702 to sign up.

This is a wonderful service and even though you do not get paid in dollars you really get a lot more by helping the seniors in your community.

The West Hanover Township Senior Citizens Van ("The Gopher") Operates Monday - Friday

Help the Van - Lion's Club Christmas Tree Sale

One way you can help the van program is to buy your live Christmas tree or wreath from the Lion's Club.

The Christmas Tree Sale is located in the lot next to the Funeral Director's building and in front of Michel's. (7435 Allentown Blvd).

The sale begins the day after Thanksgiving (November 25th). Hours are as follows:

- Sunday 11:00 a.m. to 5:00 p.m.
- Monday - Friday 4:00 p.m. to 8:00 p.m.
- Saturday 8:00 a.m. to 6:00 p.m.

Trees are 5 to 10 feet tall (pre-drilled). Many tree varieties will be available along with wreaths and swags. Come out and support your local Lion's Club and the Senior Citizen Van Program!

On Lot Septic Pumping Reminder

Chapter 158, Article I, Section 158-9 of the West Hanover Township Code of Ordinances requires all on lot septic systems to be pumped every four (4) years and proof of pumping is to be submitted to the Township Codes Enforcement Officer.

Failure to comply with this ordinance will result in further action and up to a \$300.00 fine. A list of licensed pumper/haulers is available at the Township Office.

Please note that the Township does not send reminder letters. Any property owner who does not maintain a current proof of pumping form

on record at the Township (every four years) will be issued a violation letter. At that time the property owner will have 30 days to have the on lot system pumped. Please remind your pumper/hauler to submit the yellow copy of the "Septic Tank Pumper's Report" to the Township in a timely manner.

If you have any questions, please contact Harold Arndt, Codes Administrator at (717) 540-6080.
